

# You're Invited!

Timmins Construction Association

*call before you dig!*  
*call before you dig!*  
*call before you dig!*

**cbyd.ca**

The Timmins Construction Association and DigNORTH would like to take this opportunity to invite your company to the introduction of the Ontario Call Before You Dig program. A dedicated service for Contractors and Homeowners and anyone contemplating digging, to place a utility locate request via a single point of contact.

Through the unique program specific number with the emphasis on making one call and one call only. Changing a mind set and creating a habit, and making CBYD a household name.

## 1-888ONT-CBYD

**ONE CALL ONE RESPONSIBILITY™**

You have one responsibility and that's to make the call... You make the call, we do the rest!

**where:** Front parking lot of the McIntyre Community Centre ( 76 McIntyre Road ).

**when:** July 20, Come speak to a DigNORTH representative for program details.

**why:** To protect the buried infrastructure and bring our workers home safe.

**A New Era in Damage Prevention!**

**to learn more about the CBYD program...**

Come see the DigNORTH mobile Public Safety and Awareness unit situated in the front parking lot of the community centre.

*call before you dig!*

**think safe - dig safe - be safe**

Damage Prevention is a Shared Responsibility!
